## ANNOUNCEMENT

### OUR COVID-19 STATEMENT

As the situation surrounding the COVID-19 pandemic continues to develop, the team at SMIC, along with our AmWINS colleagues, want you to know that we are here and open for business. While most of our staff are working from home, we have ensured that everyone has access to the necessary tools and technology to maintain the unrivaled personal service you've come to expect from us. We will continue to work normal business hours, monitoring performance and making changes, if necessary.

This is an unprecedented time, but we are optimistic about the future of our company and our industry. Insurance is a resilient business. AmWINS plans to be around for a long time; our 150-year vision means we see things long-term and are prepared to weather the ups and downs of the market. Eventually, schools will be back in session, sports will be played, groups will gather and life will go on. We stand ready now and in the future to assist you in any way we can.

We appreciate your business and wish you health and safety. Please contact us if we can help
